Question 2

Can one sponsor an HCP to attend a site visit abroad? What about preceptorships abroad? Would the same rules apply with respect to travel, accommodation & hospitality as for HCPs who attend conferences?

CTAC member replies

Yes it is appropriate for members to invite Healthcare Professionals to plant or factory tours in countries outside their country of residence if there is a legitimate business purpose and the tour complies with the guidelines in all respects. Accordingly, members should ensure that appropriate documentation is put in place, hotel accommodation is not normally provided at top category or luxury hotels, air travel is economy and meals are of a standard that Healthcare Professionals would routinely expect if they were paying for them out of their own pocket.
